Our Bible Verse

"And He said to him, 'You shall  the Lord your God with all your  and with all your  and with all your  This is the great and  commandment.'"

Matthew 22:37-38 (ESV)

Do you remember the words the pictures represent? Can you say the verses?

Our Bible Lesson

Do you like having your own way? Most people do. We all think our way is best. We get in fights with our friends and disobey our parents because we want our own way. Our sin nature is what makes us want our own way all the time, even when our way is wrong. We need to learn that God's way is best!

Club Corner - Who Likes Rules?

1. Do you know the rules of your favorite game or sport? What are they? Are there a lot of rules or just a few?
2. What would happen if baseball or soccer had no rules?
3. What "rules" did God give to the Israelites and us? Do you know **why** He gave us those rules? We talked about the first 4 rules in this week's GNC.

You can email your answers to Mr. Hamel at eupcef@gmail.com

Tell Me a Joke

What is a golfer's favorite letter of the alphabet? (L)

Why did the football coach go to the bank? (He wanted his quarter back)

Why can't Cinderella play soccer? (She always runs away from the ball.)

Did You Know?

The board game Clue was invented in England during the air raids of World War II.

The first version of Monopoly was called The Landlord's Game and was invented by a woman in 1904 to teach people the evils of getting wealthy at the expense of others.

Uno has sold more than 150 million copies and is available in more than 80 countries.

Family Activity - My Game, My Rules (you need a couple of card or board games)

Get out your favorite family game (Uno, Trouble, Monopoly, Clue, etc) and play for 10 minutes with NO rules. Decide as a family if you would rather play the game without rules or with the regular rules. What did you decide? I know what I prefer; I like the rules. I like to know what's expected of me and how to do it. What about you? However you end up playing the game I hope you have a good time together as a family!

If you have Jesus as your Savior, you don't have to be afraid of Satan. God is greater than Satan is. Trust God. He will help you turn away from sin. You can choose not to sin because of the strength of the Lord Jesus. He is living in you and will help you.
