Our Bible Lesson

This week we learned that God is the Deliverer! The Bible is full of examples how God delivered (rescued) people from their troubles. Jonah was delivered from a great fish; the lepers were delivered from their illness; the Israelites were delivered from slavery. We can be delivered from our problem: SIN!

Club Corner - Rescue Me!

1. Have you ever needed to be delivered (rescued)? Have you been stuck in a tree you climbed? Or maybe lost in a store?
2. What workers rescue people as part of their job?
3. How does God deliver us from our sin? Why can't we rescue ourselves?

Email your answers to Mr. Hamel at eupcef@gmail.com

The first 5 kids to answer all the questions will receive a prize in the mail.

Family Activity - Who knows? (have a beanbag or some other object to pass around the circle)

Sit around the table or in a circle. Pass the beanbag from person to person. When you have the beanbag, share ONE thing YOU do every single day. You CAN'T repeat an answer someone else has given. See how many times your family can get around the circle before running out of answers. Did you know everything your parents or siblings do every day? One thing to be sure of, God knows everything. Even the things you don't think about. Silly things, little things, big things, important things, things you forget - God knows you and loves you!

Do you want Jesus to save you from the punishment for your sin? In the Bible God says, "Believe in the Lord Jesus, and you will be saved" (Acts 16:31). To believe means to trust completely in Jesus. He is the only one who can save you. You need to agree with God that you have sinned and deserve to be punished. Choose to trust in Jesus alone to forgive you.
