## Our Bible Verse

"(God, Moses, Jesus) is our (rock, friend, refuge) and (peace, salvation, strength), a very present (help, friend, Savior) in trouble."

(Exodus, Psalm, Matthew) 46:1 (ESV)

Circle the correct word to complete the Bible verse.

## Our Bible Lesson

Do you have a hard time trusting people? Maybe someone has played a trick on you or lied to you so you don't trust them any more. The Bible tells us that we can ALWAYS trust God. He will always love us. He will ALWAYS do what is right. He is ALWAYS good. **I can trust God!** Remember that this week.

## Club Corner - Let's Take a Trip

1. Has your family ever gone on vacation? How many suitcases did you take? Where did you go? Was it summertime or at Christmas?
2. Did you ever get lost while traveling? Who was in charge of the map reading? Do you use a GPS or a paper map?
3. What problem did the Israelites have on their big trip? Who was in charge of leading them? How did they know where to go?

You can email your answers to Mr. Hamel at [eupcef@gmail.com](mailto:eupcef@gmail.com)

## Tell Me a Joke

Where do sharks go on vacation?

(Finland.)

What did the pig say on his beach vacation?

(I'm bacon!)

What travels around the world but stays in one corner?

(A postage stamp.)

## Did You Know?

Steve Newman, of Ohio, was the first person to walk around the world solo, crossing 15,000 miles and 20 countries in four years.

The sloth is the slowest land mammal, taking one minute to move 8 feet in distance. The cheetah is the fastest, with the ability to run 75 miles per hour.

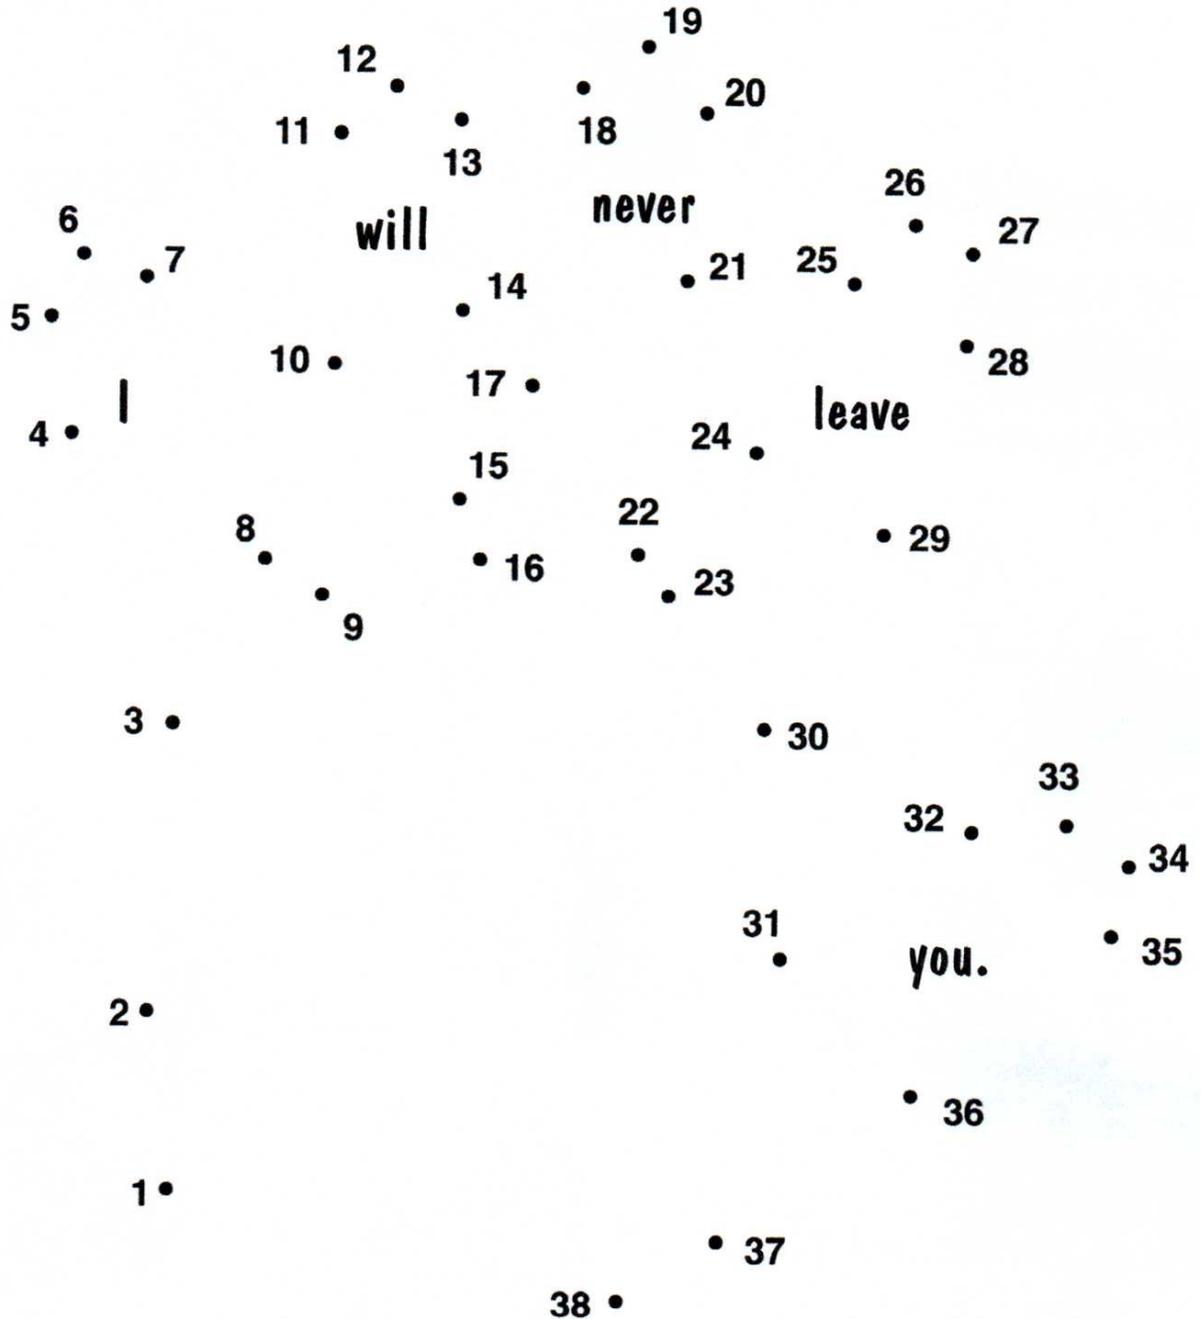

The average kid walks 3 miles per hour.

## Family Activity - A Penny Walk (you need a penny)

This week, take a walk as a family. If you have a route you usually walk, a fun way to choose a route is by flipping a penny at each intersection. If you get "heads" turn right. If you get "tails" turn left. If the penny falls to the ground, pick it up and go straight. You may have to decide how far you will walk so you don't get too far from home! If you live in the country with no close intersections, try this the next time you are at Walmart or another large store and flip the penny at the end of each aisle. Enjoy your walk!

If you have believed in Jesus as your Savior, God has some promises for you. He says, "Never will I leave you" (Hebrews 13:5). God is living in you. He will always be with you. He will go with you wherever you go. You won't have to be alone anymore. Jesus says, "I am with you always, to the very end of the age" (Matthew 28:20).

Connect the dots above to find a reminder of God's promise to you.
